Your design team

We know plants!

Our designers are plants people, we have a passion for all things green and beautiful and we can't wait to help you fill your space with them!

One of our fabulous design team has personally looked at your desired colourway, style and plants for your space and has put together this collection just for you! We hope you love it.

Team Muddy Trowel

The details

"Your space is fully sunny, with direct sunlight for most of the day."

"You need planted pots and containers in your space as there is no soil/space to plant."

"You're requiring plants for your small balcony area."

"You don't share your space at the moment with any other pets or children"

"You are feeling somewhat adventurous with your space - so we've selected plants that are colourful, but easy to care for"

"We think, based on your suggestions that a tropical/exotic feel to your space is what you would like."

"You selected plants with lush greens, hot, fiery red and yellow colours."

"Based on your preferences we have chosen these modern, contemporary pots in black colour"

Your inspiration

YOUR *plant list*

"I have chosen a selection a selection of tropical plants to really add instant, exotic impact to your balcony!

Starting with the large, easy to look after Chusan Palm - position this in one corner surrounded by a Coleus, Fatsia and Crimson Bottle Brush. On the other, shadier side of your space is a stunning Evergreen Jasmine providing scent and foliage all year growing along your railings, surrounded by Hosta, Mexican Orange Blossom and a final Coleus.

All of these I have chosen to be planted in our black colour, contemporary Elho & EcoPot planters, perfect to match the look you wanted!"
